

Document Delivery

The Law Library can provide copies of documents on request. We can deliver up to five documents per day (a document is a case, code section, or article; or up to five consecutive sections of a practice guide or treatise). Documents must be available to us via one of our online subscriptions, and will be delivered by email.

You must provide an **exact citation**; the librarians cannot conduct research for you.

Law Library Cardholders

Library cardholders may receive up to five documents per day, free of charge. Please allow up to 24 hours (1 business day) to receive your documents.
