MECHANICS LIEN

Placing and Releasing Contractors’ Liens

This Guide includes instructions and sample forms. The Guide and related forms may be downloaded from: saclaw.org/mechanics-lien-guide

BACKGROUND

A Mechanics’ Lien is an effective remedy for contractors, subcontractors, and others involved in the construction or improvement of real estate to resolve payment problems. If a service or materials provider records a Mechanics Lien against the real estate being improved, the owner cannot easily sell or refinance the property without first paying off the debt secured by the lien. A Mechanics Lien motivates the owner to make sure the contractors get paid, and is a prerequisite to filing a foreclosure action on the property. A claimant is defined by California Civil Code (C.C.) § 8004, § 8024, §§ 8400-8404.

STEP-BY-STEP INSTRUCTIONS

Step 1: Determine if A Preliminary Notice is Required

According to C.C. § 8410, for most claimants who furnish labor, service, equipment, or material to a private work of improvement, service of a 20-day preliminary notice is a prerequisite to the enforcement of both the Mechanics Lien and stop payment notice rights. Preliminary Notices must be served to the owner, general contractor, and lender. However, some claimants including some laborers, need not give prior notice per C.C. § 8200 (e). Step 2: Complete the Claim for Mechanics Lien and Required Notice of Lien

Mechanics Lien forms must be in a format that the Sacramento County Clerk/Recorder's Office will accept. A customizable template may be downloaded from this link:

Disclaimer: This Guide is intended as general information only. Your case may have factors requiring different procedures or forms. The information and instructions are provided for use in Sacramento County. Please keep in mind that each county may have different requirements. If you need further assistance consult a lawyer.
Step 3: Serve the Claim for Mechanics Lien and Complete the Proof of Service Affidavit

Service of the claim of mechanics lien must be completed before the lien claim is recorded. C.C. §8416 (a)(7) requires the recorded original claim for mechanics lien to contain a signed affidavit of proof of service.

Step 4: Record the Mechanics Lien, Required Notice of Lien, and Proof of Service Affidavit at the Recorder’s Office

The Recorder’s Office charges a recording fee (currently $21/first page plus $3 for additional pages). Current fees are available on the County Clerk/Recorder’s website at www.ccr.saccounty.net/Pages/Fees.aspx.

NOTICE OF MECHANICS LIEN CLAIM
ATTENTION!

Upon the recording of the enclosed MECHANICS LIEN with the county recorder’s office of the county where the property is located, your property is subject to the filing of a legal action seeking a court-ordered foreclosure sale of the real property on which the lien has been recorded. That legal action must be filed with the court no later than 90 days after the date the mechanics lien is recorded.

The party identified in the enclosed mechanics lien may have provided labor or materials for improvements to your property and may not have been paid for these items. You are receiving this notice because it is a required step in filing a mechanics lien foreclosure action against your property. The foreclosure action will seek to pay for unpaid labor, materials, or improvements provided to your property. This may affect your ability to borrow against, refinance, or sell the property until the mechanics lien is release.

BECAUSE THE LIEN AFFECTS YOUR PROPERTY, YOU MAY WISH TO SPEAK WITH YOUR CONTRACTOR IMMEDIATELY, OR CONTACT AN ATTORNEY, OR FOR MORE INFORMATION ON MECHANICS LIENS GO TO THE CONTRACTORS’ STATE LICENSE BOARD WEB SITE AT www.cslb.ca.gov.

This page must be served on the owner and filed at the recorder’s office along with the notice. The office will reject the lien if it is not included.
Serve the owner of the project if you can. If you can’t find the owner, serve the construction lender or (if you’re a sub or supplier) the direct contractor.

Serve the mechanics lien yourself, by registered, certified, or first class mail with certificate of mailing—no need to hire a process server or have the lien personally served. Then fill out whichever of these two affidavits fits your situation.

PROOF OF SERVICE AFFIDAVIT
California Civil Code section 8416

Failure to serve the Mechanic’s Lien and Notice of Mechanic’s Lien on the owner, or alternatively if the owner cannot be served on the lender or direct contractor, shall cause the Mechanic’s Lien to be unenforceable as a matter of law (Civil Code Section 8024(d)). Service of the Mechanic’s Lien and Notice of Mechanic’s Lien must be by (1) registered mail, (2) certified mail, or (3) first-class mail evidenced by a certificate of mailing, postage prepaid, and to a residence or business address for the owner, lender or contractor. Further, a Proof of Service Affidavit (below) must be completed and signed by the person serving the Mechanic’s Lien and Notice of Mechanic’s Lien. This page should be completed (either one of the sections below) and recorded with the County Recorder along with the Mechanic’s Lien and Notice of Mechanic’s Lien.
