**BACKGROUND**

A Mechanics’ Lien is an effective remedy for contractors, subcontractors, and others involved in the construction or improvement of real estate to resolve payment problems. If a service or materials provider records a Mechanics Lien against the real estate being improved, the owner cannot easily sell or refinance the property without first paying off the debt secured by the lien. A Mechanics Lien motivates the owner to make sure the contractors get paid, and is a prerequisite to filing a foreclosure action on the property. A claimant is defined by California Civil Code (C.C.) § 8004, § 8024, §§ 8400-8404.

**STEP-BY-STEP INSTRUCTIONS**

**Step 1: Determine if A Preliminary Notice is Required**

According to C.C. § 8410, for most claimants who furnish labor, service, equipment, or material to a private work of improvement, service of a 20-day preliminary notice is a prerequisite to the enforcement of both the Mechanics Lien and stop payment notice rights. Preliminary Notices must be served to the owner, general contractor, and lender. However, some claimants including some laborers, need not give prior notice per C.C. § 8200 (e). **Step 2: Complete the Claim for Mechanics Lien and Required Notice of Lien**

Mechanics Lien forms must be in a format that the Sacramento County Clerk/Recorder’s Office will accept. A customizable template may be downloaded from this link:

The information and instructions are provided for use in Sacramento County. Please keep in mind that each county may have different requirements. If you need further assistance consult a lawyer.
Step 3: Serve the Claim for Mechanics Lien and Complete the Proof of Service Affidavit

Service of the claim of mechanics lien must be completed before the lien claim is recorded. C.C. §8416 (a)(7) requires the recorded original claim for mechanics lien to contain a signed affidavit of proof of service.

Step 4: Record the Mechanics Lien, Required Notice of Lien, and Proof of Service Affidavit at the Recorder’s Office

The Recorder’s Office charges a recording fee (currently $21/first page plus $3 for additional pages). Current fees are available on the County Clerk/Recorder’s website at www.ccr.saccounty.net/Pages/Fees.aspx.
